

INICIO

A hand-drawn sketch of a mobile application interface for a login screen. The screen is enclosed in a rounded rectangle with a white border. At the top, there is a status bar with a grey background, showing a Wi-Fi icon, a cellular signal icon, a battery icon, and the time 19:48. Below the status bar, the background is a solid blue color. The text 'Colegio de la normal superior' is centered in a white rectangular box. Below this is a shield-shaped logo with a green border. The logo contains a map of Mexico with a green arrow pointing to the state of Veracruz. The text 'ROLDANILLO' is at the top, 'BENIGNO ESPINOSA' is on the left, 'JOSÉ ISAACS' is on the right, and 'VERACRUZ' is at the bottom. Below the logo, the text 'Nº Identificación' is centered above a white rectangular input field containing the text 'Some text'. Further down, the text 'Fecha de expedición' is centered above a date input field showing two slashes '/' and a calendar icon. Below the date field is a white rectangular button with the text 'Entrar a votar'. At the bottom, there is a green rectangular button with the text 'Success' in white. The entire app interface is framed by a white border representing the phone's bezel.
